

TEST #3 - Important Information

December 9th, 2024

Test Breakdown

- 2 short answer questions - 5 marks each
- 2 short answer questions - 3 marks each
- 6 short answer questions - 2 marks each
- Total: 10 questions - 28 marks

Be aware of the time and the questions involved. There is a 60-minute time limit on the test.

Important Information About Your Answers

1. When using functions, you **MUST** provide an alias to give a cleaner name.
2. You **MUST ONLY** provide the information that is requested. For example, if a question asks for a name and phone number and you use **SELECT ***, you will lose marks.
3. The short answer questions will ask you to create appropriate queries to meet the requirements of each question.
4. Use the provided table to answer all questions (see link below).
5. To answer the short answer questions, you can use a text editor to build your queries and test them using `sql.scweb.ca`.

Do Your Own Work for the Test!

- You are restricted to using the following items for the test:
 - A single 8 1/2 x 11 handwritten sheet of paper.
 - Blackboard / Respondus LockDown Browser.

- You are **NOT** allowed to have any other assistance when taking this test!
- Any query that will not run will receive a mark of 0.
- Any answers not manually built will receive a mark of 0.
- You are only allowed to apply the skills and knowledge that we have learned in class.
- Any answers that do not follow the practices and knowledge that we have learned in class will receive a mark of 0.
- All the work **MUST** be completed by you and only you.
- Any work not completed by you will be handled as per the Student Code of Rights and Responsibilities and will result in a 0 grade for this test.
